WAPT Report (Lionel Pinn)

Attendance for the annual conference is looking well. Vendor registration is also up. There should be an E blast with a detailed agenda will be coming out in the next week. Car show will be Monday night per Chris Quinlan...

SPI Report

The senate and the house are working on coming up with a compromised state budget. We have no idea where the process is. The only thing heard is that they will not have a second special session.

Email to the enhancements to the online data base. If you did not get that, please let Dan know.

Dept. of Ecology has some additional grant money. Check into it.

Job openings: Ocean Beach, Bellingham.

Room in level 1 at CWU if you are interested.

Driver instructor course there is still some room.

The excel spreadsheet tools have been placed online for bus depreciation. Check out the OSPI website. If you have any problems, let Dan know and he will assist you.

The stop camera bill has been signed into law. Still no details, more to come.

Stars training dates are out there. If you haven't attended, please do so. May 25th at the Co-op.

Mechanics Corner

extra charge. Allan Jones informed them that there will be an alternative fuel category. Type C only runs about 8000.00 more than a diesel Type C. Return on investment saving over diesel is returned in one year. The General manager for Bryson spoke about the new building they are in.

Chris Quinlan, spoke about how they are focusing on the service side of the business and have added a second service person.

Skip spoke about the vans that he has available. 20-40 2001-2002 Chevy vans could possibly be available soon. Call Skip 1-360-904-2719

Meeting adjourned at: 11.05

Respectfully submitted:
